COMMUNITY SERVICE

August 2017 – Present

Filmmakers @ GT, Co-Founder/Vice President

A film club that promotes the exploration of filmmaking through the collaboration and peer training to make a high quality short.

Lead the department of Pre-Production as the members learned skills such as storyboarding, vision, framing, writing, and producing.

Facilitated the club's networking opportunities by bringing industry professionals to share their experiences and knowledge.

Can work as a local in Atlanta, Orlando and Puerto Rico.
